Dr. Sherunda Simone

Physician. Keynote Speaker. Author. The Authority on Active Waiting.

Helping high achieving women move from frustration to focused action through powerful storytelling, practical strategies, and lasting transformation.

A voice for intentional growth

Dr. Sherunda Simone is a wife, mother of 5, author, physician, speaker, strategist, and voice on intentional growth. Through her signature concept of Active Waiting, she teaches ladies how to stay productive, disciplined, and aligned while trusting God's timing. She is the founder and Chair of Grown Lady Chat, Inc., a Christian Women's Empowerment organization that hosts annual January retreats and July conferences. She has spoken at numerous faith-based, educational, and corporate events, nationally and internationally, and has made TV and podcast appearances. She is a 2 time published author and a full time practicing Physician. For 20 years she has cultivated a personal development platform for ladies who are ready to move like it.
